TOKEN AND MEDAL AUCTION #21

TO BE HELD IN CONJUNCTION WITH THE COMMONWEALTH COIN SHOW, DECEMBER 3-4-5, 1976, AT THE SHERATON INN WASHINGTON-NORTHEAST IN LANHAM, MARYLAND.

Welcome to our 21st token and medal auction! We are most pleased to have been selected to conduct an exonumia auction at a major coin show. The Commonwealth Show is large (over 100 dealers) and their choice of us to conduct their auction is proof positive of the growing interest in tokens and medals.

For those of you planning to attend the sale, the Sheraton is located right off Exit 30W from the I495 Beltway. The Inn also has limo service from both Washington National and Dulles Airports. Further information on the show can be obtained by writing Earl F. Blaisdell, 2250 Highland Terrace, Falls, Church, Va. 22046

BIDDING RULES

1. The floor portion of this sale will be held promptly at 2:00 pm on Saturday, December 4. Mail bids on this portion must be received no later than Friday the third. Bids on the mail bid only section must be received no later than Monday the sixth.
2. The status of individual bids will absolutely not be revealed prior to the end of the sale. This rule will be rigidly enforced in fairness to all.
3. BID REDUCTIONS: Bidding in the floor section will start at a slight advance over the second high mail bid. In the mail bid only portion, the lot will be awarded at a 5-10% advance over the second high bid. Bids under $5.00 will not be reduced.
4. All invoices are payable within 7 days of receipt. Returns must be made within this period. THE ONLY LEGITIMATE REASON FOR RETURNING A LOT IS IF IT HAS NOT BEEN CORRECTLY DESCRIBED.

AUCTION SUBSCRIPTION

Our auction sales are sent by subscription only. Unless you were a new subscriber and paid a $3.00 fee for the next six auction following our 20th Sale, YOUR SUBSCRIPTION EXPIRES WITH THIS SALE!! If you wish to continue receiving future auctions with prices realized, our subscription rate is $2.50 for our next five sales. Please do not neglect to check the appropriate box on your bid and order sheet. Our mailing and subscription procedure is now so automated that we cannot send reminders if you forget to do this.

RANDOM THOUGHTS

Two "thank yous" are a must. First, THANK YOU for making our last sale such a resounding success. The Landmark Sale grossed around $45,000 which must be a record for an exonumia auction! Second, THANK YOU for your confidence in electing me a director of the Token and Medal Society. For those of you not acquainted with TAMS; it is the major "umbrella" organization in the token and medal field and it publishes a most worthwhile Journal six times a year. Prospective members should contact Dorothy Baber, 611 Oakwood Way, El Cajon, CA 92021.

It has been quite some time between auctions (I think I hear one of our consignors screaming in the background). Normally, we would have had a sale out in October, but this would not have allowed us enough time to put together a December sale too. Also, quality material is more and more difficult to obtain and we simply do not want to put out an auction of primarily common material just for the sake of putting out our sales more frequently.

MEDALS

471. U.S.GRANT INDIAN PEACE MEDAL IN SILVER! This is the first genuine silver Indian Peace medal which has appeared on the numismatic auction docket in recent years. The Grant medal is unique in design. His name does not even appear on it and 1871 is entered instead of the date of his inauguration. 300 medals in silver were struck and none were melted. Our specimen is a nice VF/XF with the original ring. (Mint Director Pollock charged 7¢ for this ring!). A rare opportunity for the collector of Indian Peace Medals to add a silver original to display along with his bronzes. Should bring around $2,000. PLATE.

472. Rare plaque commemorating the Grand Masque held by St. Gaudens in Cornish,N.H. in 1905. Louise Hall Tharp commented in her book Saint GAUDENS AND THE GILDED ERA "Gus was at work on a plaque commemorating the Cornish fete. Two feet high in low relief, it was one of the prettiest things he had ever done. He used Hering's temple for the center of the design, beside it a young god, naked, with handsome feathered wings and classic lyre. This time, no one was going to object to an undraped figure. Flames curled up from the alter which bore the words "Amor Vincit". Pine trees, two masks and stylized folds to represent a stage curtain framed the rectangular design. Above and at the base, lettering formed part of the design. The plaque carried the names of all who took part in the masque.... Across the base in larger letters ran the words, "In affectionate rememberance... Augusta and Augustus Saint-Gaudens" Reduced to three inches in height, a copy of this plaque went to everyone whose name was on it - to become a cherished heirloom in all the families of the Cornish colony." Au. Bronze silver plated. Esimate - $350.00. PLATE.

A SELECT GROUP OF OFFICIAL INAUGURAL MEDALS

473. 1933 Franklin D. Roosevelt. Choice Unc. in original cardboard box of issue. Only 1,500 of this variety were struck by the U.S. Mint. Should bring about $650.00 PLATE

474. 1937 Franklin D. Roosevelt. Choice Unc. This medal has the lowest mintage of the four FDR Inaugurations. PLATE
475. 1941 Franklin D. Roosevelt. Type I. Choice unc in the original cardboard box of issue. This is the scarcest of the two 1941 varieties with only 1,000 medals minted. PLATE. Should bring $550.00
476. 1941 Franklin D. Roosevelt. Type II. This variety has a small "2" at the open end of the wreath on the reverse. Choice Unc. in the original cardboard box of issue. Should bring $500.00. PLATE
477. 1949 Harry S. Truman. Choice Unc with a small spot of discoloration on the knee of Liberty. Worth $250.00.
478. 1953 Dwight D. Eisenhower. Nice Unc with a few minor field marks.

The following four lots are from the Estate of the Hon. Joseph C. McGarraghy, Chairman of the 1953 Inaugural Committee

479. 1953 Dwight D. Eisenhower medal in silver. Serial number 2. This was Chairman McGarraghy's person medal which is housed in a blue Medallic Art Co. plush presentation case. The surface of the medal is speckled with tarnish, but the medal is strictly Unc. Should easily bring over $800.00.

480. 1953 Dwight D. Eisenhower medal in silver. No serial number! It is a little known fact that Medallic Art Co. furnished the Chairman of the Committee with a small but undetermined number of silver medals without serial numbers as specimen samples. As such they constitute a distinct variety which should be of significant interest to the advanced collector. Choice Unc.

481. 1953 Dwight D. Eisenhower 21mm medal in gold! To our knowledge, this is the first time that any of the reduced size gold inaugural medals has been offered for public auction. Only 18 of the gold medals in this size were struck. Our nice XF specimen should bring $1,500 to $2,000.PLATE

482. 1957 Dwight D. Eisenhower 27mm medal in gold! Another superlative opportunity for the advanced collector. Only six copies were struck of this rarity. Perhaps a once in a lifetime chance to obtain this AU beauty. PLATE.

483. Obverse and reverse of the John F. Kennedy Official Inaugural Medal in plaster. 9 1/2" in diameter,gold painted. This set is one of 20 sets made by Medallic Art Co. and given to the Coin and Currency Institute for promotional purposes. This set was originally purchased from CCI and their letter attesting to the above information accompanies the lot. Value? Difficult to estimate as nothing of this nature has been auctioned before. Probably will go in the $300-600 range. PLATE

484. 1965 Lyndon B. Johnson 27mm medal in bronze. Again, this is the first time that this medal has surfaced at auction. Only 1,000 were struck for personal distribution by President Johnson. Perhaps this is the reason why this medal simply does not appear in the numismatic market place. Unc. PLATE

485. SILVER LIFE SAVING MEDAL. This lovely toned medal by Lovett was presented by the Benevolent Association of New York "To Francois Saintillan in recognition of his gallantry as one of the crew of the life boat from S.S. When the new President is elected to office in this country, a sculptor sets to work to fashion his likeness on a medal. THE PRESIDENT'S MEDAL, 1789-1977 tells the fascinating story, from George Washington to Jimmy Carter, of this old and venerable American tradition. The medals—many designed by great sculptors such as Augustus Saint-Gaudens, Paul Manship, and Jo Davidson—exemplify what has become over the decades a distinctive national art form.

Based on an exhibition of inaugural medals held at the National Portrait Gallery in Washington, and fully illustrated in black and white and color, THE PRESIDENT'S MEDAL, 1789-1977 is destined to become the standard reference work in the field.

Neil MacNeil has been a Washington journalist since 1949. He is chief congressional correspondent for *Time* magazine and a regular panelist on the Public Broadcasting Service's "Washington Week in Review." A member of the American Antiquarian Society, he served in 1976 as Chairman of the United States Assay Commission. Mr. MacNeil is also a member of the Board of Trustees of the Saint-Gaudens National Historic Site. He has written two other books.

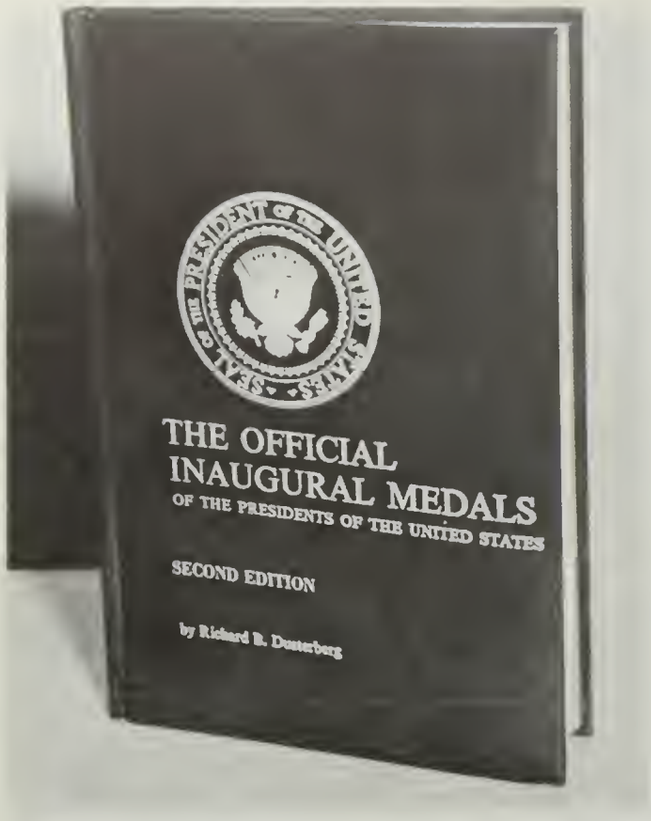
CARTER—MONDALE MEDALS

With this offering, Medallic Art Co. continues a 50 year tradition—every President since Coolidge (except for Truman) has been commemorated with a high relief medal from MACO. Sculptor Mico Kaufman's portrait of Carter is truly outstanding and was selected by a panel of three past Presidents of the National Sculpture Society from among four other portraits MACO commissioned. See order sheet for details.

Medallic Art Co is America's foremost private art medalist, founded in 1900. This offering is exclusive from Medallic Art and is copyrighted accordingly. It is not connected with any offering which may be made by others, including the U.S. Mint, other private mints with or without 1977 Inaugural Committee endorsement.



This is the long awaited revision of Richard Dusterberg's pioneering book on Official Inaugural Medals. It contains a revised valuation guide and an expanded text which includes Vice Presidential medals, inaugural plates and new information on almost every medal. Hardback $17.95

The 1977 Medallic Art Calendar Medallion

Available in Three Strictly Limited Editions of Solid Bronze, .999 Fine Silver and 24 KT. Gold on Fine Silver—Stunningly designed by world-famous sculptor Marcel Javine and officially endorsed by the National Flag Foundation, the obverse vividly depicts a salute to the 200th anniversary of our nation's flag. From the moment Christopher Columbus stepped onto "the new world" with his flag in hand, through Betsy Ross' creation of America's first flag and ending with the historic planting of our present flag on the surface of the moon, the continuously flowing panoramic design captures in stunning high-relief each of the important moments in Old Glory's participation in the building of our nation.

Each medallion measures a full 3-inches in diameter and is finished in a rich antique patina. Complete with a clear lucite easel stand and gift boxed.
